ASSOCIATION OF INDEPENDENT PROPERTY BROKERS & AGENTS

Dear OOIDA,

TIA HAS PULLED THE WOOL OVER YOUR EYES!

A \$100,000 broker bond will HURT owner operators. It will kill off the small Brokers & leave only Big Brokers who will then pay owner-operators less.

It will prevent OOIDA members from brokering excess freight.

Now, you're sneaking it in on p. 527 of HR 7, the House Transportation Bill,

because the \$100,000 bond won't pass on its own.

IT HAS FAILED AS STAND-ALONE LEGISLATION TWICE BEFORE.

We're asking OOIDA members to sign the petition to help small business brokers & owner operators:

Sincerely,

JAMES "LAMB" and the AIPBA
